

Angaston Football Club

Safe Transport Policy

Introduction

Angaston Football Club recognises that:

- It has a duty of care to all members and visitors involved in club-related activities.
- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.
- Driving under the influence of alcohol and drugs is illegal and hazardous to individuals and the wider community
- Drink driving is one of the main causes of road deaths in Australia
- It takes one hour for each standard drink of alcohol consumed to be broken down by the liver no matter what other food or drink you have (except more alcohol!)
- It takes considerable time (about 0.01 per hour) until a person can legally and safely drive home if they have consumed over the recommended levels of alcohol.
- Accordingly, the following safe transport policy shall apply for all functions undertaken by the club that involve the serving and/or consumption of alcohol.
- In the interest of safety the club has procured an alcohol meter (breathalyser) that can be used on request

General

- Where possible, the club will display standard drink posters/ cards help patrons recognise what standard drinks are and the implications on drink driving.
- Taxi vouchers (where available) and non-alcoholic drinks will be considered as part of raffle prizes and awards.
- Telephone calls will be made free of charge to arrange a taxi (where available) or to call a sober person to provide transport from the club or club event.
- Contact telephone numbers for taxi services (where available) will be clearly displayed in the club.

Bar Staff/ Servers of alcohol

Bar staff/servers of alcohol shall:

- Encourage members and visitors to make alternate safe transport arrangements if they are considered or found to be intoxicated or at risk of exceeding 0.05 blood alcohol concentration (e.g. free call to a taxi/friend/family)
- Promote low alcohol and non-alcoholic drinks to consumers
- Be provided non-alcoholic drinks and bar food free of charge.

Committee Members, Members, Players and Officials

Those attending club activities where they are planning on drinking alcohol are encouraged to:

- Make alternative transport arrangements to get to and from the activity safely
- Plan ahead and arrange overnight accommodation.
- Share a taxi (where available) with friends.
- Catch public transport (where available).
- Ride with a driver who hasn't been drinking alcohol or taking drugs.

Functions

The club will provide transport to and from functions where available and possible (e.g. using club bus or contacting local bus services such as council, school or tourist buses).

- The bus or transport provided will be an alcohol-free zone (ie. no loading up the bus with alcohol or consuming alcohol on the bus).
- The bus is not to be used to transport members between licensed venues (i.e. not to be used for a pub crawl).
- People who have consumed alcohol are to make alternative safe transport arrangements to get from the bus drop-off to home.
- The committee will pre-order taxis (where available) to arrive at the venue at the conclusion of the function.
- In specific cases, where a designated driver nominated by the club has accepted the responsibility to drive others home safely, the club will provide non-alcoholic drinks and/or bar food free of charge (or passengers will be encouraged to pay for these for their driver).
- For selected functions, the club will provide designated sleeping areas on site (where safe, possible and legal to do so) for members to use at the conclusion of the night. Members will need to bring a swag/sleeping bag.
- For selected functions held at a hotel or similar, the club will arrange for reduced-rate rooms for members to encourage them stay over rather than drive while potentially intoxicated. Taxi companies (where available) will be provided with club function details for potential business on the night.
- Taxi company phone number(s) (where available) will be printed on the function invitation / flyers.
- The MC for the function/committee will advise attendees that the club is a Good Sport accredited club, communicate the safe transport options and regularly remind attendees to drink and behave responsibly.

Policy Promotion

The club will promote the safe transport policy regularly by:

- Putting a copy of the policy in club newsletters and printed member/player information and on the website.
- Displaying a copy of the policy in the club social rooms.
- Periodic announcements to members at functions.

Policy Review

This policy will be reviewed annually to ensure it remains relevant to club operations and reflects both community expectations and legal requirements.
