

Angaston A Team

Mission & Values Statement

The Angaston A Team is committed to the continued and positive Mental Health & Wellbeing of the players; supporters; coaches; parents; caregivers; grandparents; committee members and significant others of the Angaston Football Club & the Angaston Netball Club.

Through implementations, monitoring, feedback from the above mentioned and continued follow up personal interactions, the Angaston A Team Committee will endeavor and strive to provide positive ongoing professional support and confidentiality (within confidentiality limitations) to all individuals seeking assistance, guidance or help, in a safe & friendly environment at all times.

The Angaston A Team values you as an individual, values your rights, your culture, religious beliefs and sexuality without judgment or discrimination. We value understanding and empathy, to help create a true sense of belonging and friendship.
