2025 SPONSORSHIP PACKAGES

2024 U17's Squad

2024 A Grade Squad

President's Report

Welcome everyone to the Angaston Football Club, your club. The 2024 season has been a memorable one with great onfield performances across the club. We had three male teams make the finals with the Senior Colts and A-Grade getting to the Grand Final. Unfortunately, we lost both, however we demonstrated in both games that we deserved to be there. Credit must go to our players and coaching staff for this achievement. At this stage we have retained all our playing group and another good batch of Under 17½s are making the transition to Seniors.

One of the highlights of this season was that nine of the previous year's Senior Colts gave senior footy a try. This is a fantastic statistic that most of our competitors have never matched. It demonstrates the quality of our coaches across the grades and also our club's culture.

I am happy to announce that Craig Hadden is staying on as a A-Grade Coach and likewise Matt Doecke is the Reserves mentor again.

Previous Under 15s coach, Brad Toy has moved up to Senior Colts and Sam Kleemann is the coach of the Under 13s. We are yet to secure an Under 15 coach. If anyone is interested or aware of someone who might be interested please contact the Secretary.

Our Under 9s and 11s just relish the second oval and it shows with their style of football. Thanks to all those involved and welcome to our 2025 coaches in Josh Grieger and Tom Feist with the Under 9s and Under 11s in the safe hands of Jarred Rathjen and Dan Killey.

All of our female teams made finals with our Under 13s winning the premiership in a very exciting game.

This makes the 7th premiership to the girls since we began the female program back in 2017.

Ex Panther Brett Burgess, now coaching Hamley Bridge, took on the coaching role of the Senior team as we re-entered that grade after a two-year hiatus. In their first year back in the competition they were extremely competitive.

Under 16s also made the finals and we have some merging talent in this grade. Thanks to Damien Kuhndt who returned to Angaston also this year to coach this grade.

Under 13s coach, Hayley Henke had a stellar year not only coaching the Under 13s but winning the Best & Fairest for the BLGW in Seniors. Under 13s premiership player, Ruby Hughes won the same medal for the Under 13s as well as Best on Ground in the Grand Final.

Brett Burgess has been reappointed to the Seniors role again with nephew Tyrell Burgess as assistant. Shayla Hughes will coach the Under 13s and Miyu Endersby is coaching the Under 10s. We are still looking for an Under 16s coach?

While playing football and getting all the teams on the park is the main focus of this club there is plenty happening off the field also. We have seen big changes to the facility in recent years; the extended clubrooms, another set of changerooms and the second oval. These are the biggest changes in the Angas Recreation Park since the 1950s. This was added to this year when we finally revamped the kitchen and its equipment to bring it up to date plus make it compliant, as well as more workable.

The Committee has a list of other projects which will bring our venue up to other clubs. In the short term we are looking at upgrading the oval lights and erecting safety nets behind the goals. We have been successful thanks to Matt Docke in obtaining grant monies toward them. However, we will need to make some contribution, very significant in the case of the lights. Council and SACA are supporting the project financially but not completely. Nuriootpa and Angaston have been combined as a joint venture and the required amount is subject to what grants they obtain. As our lights are well past their use by date we were hoping to be up and running for 2025, however it may be later because of that.

Finally, I would like to thank the General Committee, the Junior and the Female Committees for their hard work in 2024 where we punched above our weight in the competition and hopefully the 2025 committees can continue the good work.

Thankyou to those who are not continuing and welcome aboard to those new persons who have put up their hands no matter what the capacity. Thanks also to those in support roles like the trainers, bar personnel, cleaners, team managers, runners, timekeepers, assistant coaches, goal umpires and scoreboard attendants.

Special Mention to Kim Hood who is retiring as a club trainer after over 20 years' service. These people keep the club ticking over and we owe our good position in the footy world to them. The footy world especially in the regions has undergone and is undergoing some substantial changes with seemingly more to come.

Our club goal is to be a significant part of high standard competitions and maintain that position. That is why it is so important that all associated with the Angaston Football Club continue to have appositve impact. It is always been my objective to seek another term as President to pursue the success and projects going forward. The club once again is in safe hands with good General Committee that I think reflects the club membership. Here's to a bigger and better 2025.

Thank You

Keith Jamieson
PRESIDENT

2025

2025 FEMALE SPONSORSHIP

Amount to be negotiated

The Angaston Football Club have never offered the community the opportunity to sponsor our female football teams. Whilst we see that we are one club and are all inclusive we would also like to present the option of sponsoring the female football teams only.

Because this is such a new and unique opportunity for the Angaston Football Club we are not putting together dedicated packages but are welcoming any potential sponsor to talk to our sponsorship team and we can put together a package in consultation with you and your business.

2024 Premiership U13's Girls

2025

- Transferable gate passes have NO voting rights.

THANKYOU

For taking the time to consider sponsoring the Angaston Football Club for 2025. The club wouldn't be able to function without the help of generous sponsors and we are looking forward to what we hope will be a successful 2025 both on and off field.

Please do not hesitate to contact our sponsorship co-ordinator on the below details if you have any further questions regarding any of our packages or whether we can tailor something specifically for your organisation.

Bruce Evans
